Reflection Trapezoid Mosaic

Classic designs take on new life with the latest Villa Collection. Adaptable for various installations throughout your space, the striking trapezoid pattern allows for a multitude of design options to suit a variety of settings. Combining Paris Gray Quartz with Mirror, this dazzling blend of glass and stone is the perfect choice for an eye-catching backsplash or accent strip. The character of quartz contrasted with the sleekness of mirrored glass will bring texture to your surroundings with a refined twist
