

**Tire Chain Kit**  
**Snowthrowers with 15-inch Tires**  
Model No. 107-3813

**Installation Instructions**

---

1. Block up the rear of the snowthrower frame so that the wheels are off the ground.
2. Remove the pins that secure the wheels to the axles and remove the wheels.
3. Lay the chains out flat with the locking link to the outside.
4. Wrap the tire chains around the tires, hooking the inside links and locking the outside links.
5. Pinch the inside links closed.
6. Slide the wheels onto the axles and secure them with the pins previously removed.
