- The classic look of marble will enrich your home's value. Use this tile on walls, backsplashes in kitchens and bathrooms and some floor applications such as residential bathroom. It works well with other complementary stone or ceramic field tiles.
- Recommended for kitchen backsplashes, shower walls, accent walls, bath walls and bath floors. Penetrating sealers recommended before grouting.
- Recommend white “polymer-modified” thin set and non-sanded grout for best installation results.
