### Terms of Promise

Frigidaire® promises that your new 27" or 30" Frigidaire® brand single or double wall oven will fit your existing cabinet cutout of the same width (27" or 30") and configuration (single oven, double oven or microwave-combination oven), or Frigidaire will reimburse you up to \$300 for the cost of professionally modifying your cabinets height or width. The Frigidaire® Fit Promise program does not cover the cost of installation. The program is intended only to cover potential cost of making modifications to your current kitchen cabinetry in the situation that the new Frigidaire® model does not fit the existing ovens cutout space. The new unit must also be the same common industry width (27" or 30") and configuration (single oven, double oven or microwave-combination oven) as the old unit being replaced. In the circumstance that the \$300 maximum re-imbusement does not cover the full cost of cabinet modifications, then you are responsible for the costs that exceed the maximum \$300 allowance. Cabinet modification and installation must be performed by professional installer or contractor. The promise applies to purchases of any of the qualifying models above in the USA in 2021 from an authorized Frigidaire dealer only. Cabinet cutouts for new home construction or remodeling that require the location of the cutout to be moved do not qualify. Not available to clubs, organizations, groups, bulk or multi-unit sales to apartments, condominiums, subdivisions or wholesalers. Limit one claim per household. Claim forms must be submitted within 60 days of purchase or installation, whichever is later. Late, non-compliant or duplicate submissions will not be honored. Claim form may not be assigned, transferred or sold. No substitution permitted. Frigidaire makes no other promise regarding the fit of your wall oven other than those expressly set forth herein. By submitting this claim, you hereby accept the stated terms and conditions.
