UNMATCHED PERFORMANCE & ENERGY SAVINGS

The Rheem® *Performance Platinum™* Hybrid Heat Pump Water Heater outperforms the competition, delivering more hot water², more dependably while saving you over \$4,000 in energy costs over its lifetime.¹

ENERGY EFFICIENCY

Exceeding the latest national and ENERGY STAR® efficiency requirements, the Hybrid provides a 61% reduction in energy use¹

POWERFUL HOT WATER DELIVERY

Delivers 73 gallons of hot water in the first hour; more than other water heaters²

FAST HOT WATER RECOVERY

Uses the most powerful compressor in its class to heat water and replenish hot water more quickly^{1,2}

EASY INSTALLATION

Transports horizontally and installs as easily as a standard electric water heater

	50-Gallon	80-Gallon
Height:	61"	74.25"
Width:	22.25"	24.25"
Hot Water Recovery:	26 GPH*	26 GPH*
First Hour Delivery:	73 GPH*	86 GPH*

SUITABLE FOR A WIDE VARIETY OF CLIMATES

Operates in temperatures ranging from 37°–120°F

*Gallons Per Hour

CONTROLS DESIGNED TO FIT ALL LIFESTYLES

Four versatile operating modes, plus a vacation setting, allow you to save energy and money while away¹

EFFICIENT HEAT TRANSFER TECHNOLOGY

Draws heat from the outside air to heat water more efficiently, reducing your water heating energy use by 61%¹

WATER SENSOR

Self-monitoring system alerts you via your EcoNet™ control center and free mobile app if water is detected outside the water heater—helping you avoid potentially costly damage

ULTRA-DURABLE DESIGN

Built with more durable parts throughout and backed by the industry's best-in-class, 12-year warranty², Rheem® *Performance Platinum™* Series Hybrid Heat Pump Water Heaters are designed for peace-of-mind.

STRONGER PARTS FOR LONGER PERFORMANCE

Durable stainless steel elements, premium anode rod and full flow brass drain valve extend the life of the water heater

BUILT-IN PROTECTION

Side inlet/outlet water connections better protect heat pump parts and electronic controls from potential water damage

BEST-IN-CLASS WARRANTY

Comes with the longest warranty² in its class—a 12-year tank and parts warranty

EcoNet Enabled *Performance Platinum™* Series Hybrid Heat Pump Water Heaters include WiFi-connected technology³ to give you control over your Rheem® air and water systems—so you can customize comfort, maximize energy savings and receive important system alerts both at home and away.
