Café™ 30" Slide-In Front Control Induction and Convection Range

FEATURES & BENEFITS

Gourmet results without any guesswork - Take culinary skills to the next level with Gourmet Guided Cooking, which combines video-guided recipes from chefs with a system that automatically adjusts the time, temperature and cooking pace for perfect results

Enjoy total control in the kitchen and beyond - Control your oven with your smart device or simply your voice using WiFi Connect

Precision is the name of your cooking game - Confidently try new recipes and perfectly execute your favorites, using a smart system that automatically tracks progress, modifies temperatures and adjusts cook times

A touch of brilliance - Easily navigate oven settings using a stunning full color display that adds an unexpected touch of style to your kitchen

The perfect combination of power & precision - Stun guests by showing off your 11" 3,700-watt induction element, which uses chef-preferred induction cooktop technology to deliver precise heat to cookware only. That means you can do everything from boiling a quart of water in 101 seconds to melting butter at exact temperatures with amazing efficiency.

Precise control for flawless results - Delight guests with the precision of sous vide cooking or perfectly prepared fondues and delicate sauces using a precision cooking probe that is sold separately.

Ensure consistent temperatures across a large area - Evenly heat large griddles or enamel cookware across two 8" synchronized elements

Allow your appliances to interact with one another - Create a chef-like experience with Chef Connect, which can synchronize your appliance clocks and surface lights and vent when a range burner is in use, and even your microwave and range clocks

APPEARANCE

Configuration Range with Storage Drawer
Cooking System True European Convection with Precise Air

**DIMENSIONS**

*Receptacle Locations:* Locally approved flexible service cord or conduit must be used because terminals are not accessible after range installation. See shaded area in drawing for location of electrical outlet box. Recommended outlet locations allow range to be installed directly against rear wall.

*Note:* This appliance has been approved for 0" spacing to adjacent surfaces above the cooktop. However, a 6" minimum spacing to surfaces less than 15" above the cooktop and adjacent cabinet is recommended to reduce exposure to steam, grease splatter and heat.

*Installation Information:* Before installing, consult installation instructions for current dimensional data and additional requirements.

**ADDITIONAL ACCESSORIES**

- **CXFCHHKMBZ**
  - Brushed Bronze
  - 2 handles; 6 knobs
  - (standard on Matte White)

- **CXFCHHKPMSS**
  - Brushed Stainless
  - 2 handles; 6 knobs
  - (standard on Matte Black)

- **CXFCHHKPMBT**
  - Brushed Black
  - 2 handles; 6 knobs

- **CXFCHHKPMCU**
  - Brushed Copper
  - 2 handles; 6 knobs
