## HYDE PARK METAL PLATFORM BED FRAME

The Hyde Park Platform Bed Frame by Hanover will please both men and women, ideal for gender-neutral bedroom designs. Featuring rectangular cutouts in a spiral pattern, the headboard is reminiscent of a stained glass window with a touch of industrial flare. The frame is constructed of metal with bronze metal plate inserts strategically placed on the headboard and footboard to add another dimension of artistry to the piece. The bed eliminates the need for a foundation or box spring and is shippable by UPS. With the durable and sturdy slat system that supports up to 700 lbs. and fully assembled headboard and footboard, the entire bed frame assembles in minutes so you can enjoy the comfort and style of your new bed with no headaches or sore muscles.
