

Versatile Plus is the latest development in a time-saving product for cleaning and brightening any hard, glossy surface and finish-floors, tile, enamel painted walls, porcelain, etc.

This product is a powerful cleaner which will safely remove heel marks, surface dirt and surface soil from any surface. No rinsing is required, and the pleasant lemon fragrance deodorizes all in one easy step. When the surface has dried, optical brighteners will substantially enhance the shiny appearance of the surface. An excellent product for use on "no wax" floors.

Direction:

1. Dry mop or vacuum the floor to remove loose dirt.
2. Use 3 oz. cleaner for each gallon of cold water.
3. Squeegee out excess liquid and mop floor. Allow to air dry. Do not rinse.

Can be used in an automatic scrubber.

Use the same dilution for cleaning and brightening tile, walls, porcelain, etc.

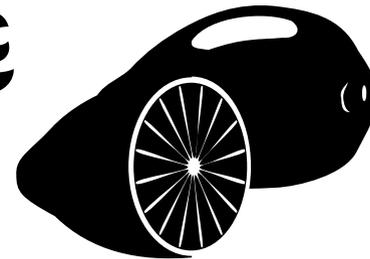

Before using, consult supplier for further information and precautions, including Material Safety Data Sheets.
