RUST-OLEUM®

Glow in the Dark

Green
CREATE A LUMINOUS GLOW

Ideal for indoor and outdoor home projects

See other cautions on back panel. **NET 7 FL. OZ. (207 mL)** Vea otras precauciones en el panel de atrás.

IMPORTANT: USE OVER A WHITE OR LIGHT COLORED SURFACE.
GLOW IN THE DARK is a luminous latex paint that creates a glowing effect for up to 2 hours in the dark after being charged by natural or artificial light. It can be applied to wood, metal, drywall and plastic. Periodic re-application may be needed for outdoor use. Glow time will vary based on surface and amount of time charged.
READ ALL DIRECTIONS BEFORE BEGINNING PROJECT.
Painting Conditions: Use when temperature is between 50°F (10°C) and 90°F (32°C) and humidity is below 65% to ensure proper drying. **Preparation:** Remove loose paint and rust with wire brush or sandpaper. Lightly sand glossy surfaces. Clean with soap and water, rinse and let dry. **WARNING:** If you scrape, sand or remove old paint, you may release lead dust. LEAD IS TOXIC. Contact the National Lead Information Hotline at 1-800-424-LEAD or log on to www.epa.gov/lead. **Priming:** Use of a white Rust-Oleum® latex primer provides superior adhesion and hiding and is especially recommended for bare wood and metal. **Painting:** Stir thoroughly. Thinning is not required. Avoid painting in direct sunlight or on hot surfaces. Use a good quality synthetic brush. Avoid excessive brushing as this will reduce film thickness. Use light, even strokes to ensure an even flow and the smoothest finish. **Dry and Recoat Times:** based on 77°F (25°C)-50% relative humidity. Allow more time at cooler temperatures. Dries to the touch in 45 minutes and to handle in 4 hours. Fully dry in 24 hours. Apply two coats 45 minutes apart. Apply more coats for increased glowing effect. **Clean-Up:** Clean brush and other application tools immediately with soap and water. **Coverage:** Up to 25 square feet.

CAUTION! Do not take internally. **Use only with adequate ventilation.** Do not breathe dust or vapors. Ensure fresh air entry during application and drying. Close container after each use. Avoid contact with skin and eyes. Wash thoroughly after handling. **First Aid:** If you experience difficulty in breathing, leave area to obtain fresh air. If continued difficulty is experienced, get medical attention immediately. In case of contact, immediately flush skin with soap and water and eyes with plenty of water. If swallowed, get medical attention immediately. **WARNING: Cancer** - www.P65Warnings.ca.gov. **KEEP OUT OF REACH OF CHILDREN. PROTECT FROM FREEZING.** For emergency, call your physician, local poison control center or local emergency room. For product health information, call: (800) 481-4785.

SATISFACTION GUARANTEED: If you are dissatisfied with this product, contact Rust-Oleum Product Support at 800-481-4785 for product replacement or a full refund of the purchase price. Refer to product number and batch code.
