USE & CARE MANUAL

Nature Clean: Automatic Dishwasher Pacs

DIRECTIONS: Do not open or puncture the pac. Handle pac with dry hands. Place 1 pac into main dispenser cup and close. Follow dishwasher manufacturer instructions. Close lid after each use. Optimal water temperature is 60°C / 140°F. To avoid dishwasher damage, always wash stainless steel separately from sterling silver. For delicate items, please follow manufacturer care instructions. Works in hard water.

SAFE STORAGE:

Storage Conditions: Store in a cool location
Protect from humidity and water
Avoid storage near extreme heat, ignition sources or open flame
Store receptacle in a well ventilated area.
Keep container tightly sealed.

FIRST AID:

Eye Contact: Remove contacts. Flush with water for at least 15 minutes, occasionally lifting the upper and lower eyelids. Get medical attention immediately.

Skin Contact: Thoroughly wash exposed skin with soap and water. Remove any contaminated clothing and wash before reuse.

Inhalation: Remove to fresh air. If symptoms persist consult physician.

Ingestion: Wash out mouth with water. Drink plenty of water. Do not induce vomiting unless directed by medical personal. Never give anything to an unconscious person. Get medical aid.

Notes to Physician: Treatment based on judgment of attending physician.
