

LED LAMP

SPECIFICATIONS

Enjoy all the benefits of advanced LED energy-saving technology with a high-CRI general purpose A15 LED light bulb from Feit Electric. Replacing a 25 watt incandescent light, it produces 250 lumens of Soft White light while using 2.7 watts of electricity - saving up to 89% in energy costs. A stylish traditional design with exposed filament instantly livens up the décor of any room. A 90+ CRI makes colors vibrant and skin tones look more natural, all while saving energy and lasting for a decade or more.

**25 Watt Equivalent Soft White
Enhance Glass Filament LED**
