

# JWP-208HH, 20" PLANER 5HP 1PH, HELICAL HEAD

708544

JWP-208HH-1 helical head planer quickly and quietly transforms rough lumber into smooth boards, with a full 20" planing width. Its heavy-duty cast iron and steel construction keeps the workpiece steady and supported, while the conveniently located two-speed gear box allows for quick and easy feed rate adjustments. This machine means business with a powerful 5 HP induction motor combined with a helical insert cutterhead housing 92 staggered carbide knives. You'll appreciate the sets of three steel infeed and outfeed rollers to help prevent annoying snipe. A large cast-iron table with smooth-as-glass surface makes this planer a beautiful addition to the shop.

## FEATURES

- Helical cutterhead with indexable carbide inserts for a superior finish and quieter cut
- Heavy-duty cast iron and steel construction for added strength and durability
- Two-speed gear box with automatic chain tensioner lets you adjust the feed rate to meet your needs
- Large, cast iron, precision ground table for precise workpiece support
- Powerful 5 HP TEFC induction motor with three V-belt transmission for smooth and consistent power
- Positive gear drive moves table quickly and accurately
- Cast iron infeed and outfeed tables come with the machine
- Large handwheel with positive gear drive allows for quick and accurately table adjustments
- 1/16" increment height scale lets you make the most precise adjustments for fine cuts
- 5" dust port provides efficient chip and dust collection
- One-piece welded steel base offers solid support and stability
- Magnetic controls provide long life and reliability

## JET RED ASSURANCE 5-YEAR WARRANTY

JET warrants every product it sells. If one of our tools needs service or repair, one of our Authorized Service Centers located throughout the United States can give you quick service. In most cases, any of these JPW Industries Authorized Service Centers can authorize warranty repair, assist you in obtaining parts, or perform routine maintenance and major repair on your JET tools. For the name of an Authorized Service Center in your area call 1-800-274-6848.
