

ROWLINSON[®]
GARDEN PRODUCTS

10-year rot free guarantee:

Shiplap buildings come ready stained but this is only a preparatory treatment. To **VALIDATE** the guarantee, the building must be properly treated with a recognized external wood preserver **WITHIN 3 MONTHS** of assembly and **RE-TREATED ANNUALLY** thereafter. Adequate provision must be made to ensure ground contact is avoided and air is able to circulate underneath the building. Placing the building on a concrete pad or slab base is acceptable provided that the building is not allowed to sit in pooled water during wet conditions. If the building is to sit on soil or grass it **MUST** be erected on pressure treated wooden 50mm x 50mm or similar bearers **(These are not supplied in the kit)**. Rowlinson Garden Products recommend using pressure treated bearers with all buildings on any type of base.

Limited 12 month warranty against manufacturer defects
