

4" HOODED VENT SMALL ANIMAL GUARD

The 4" Hooded Small Animal Guard will fit on new or previously installed 4" Hooded Vents.
This animal guard prevents entry of birds and other small animals.

(4" Hooded Vent sold separately)

FEATURES:

- Captured design installs easily
- Does not need adjusting for siding thickness (.75,1.00,1.25)
- Due to a potential fire hazard, this guard is not recommended for use with a Dryer Vent.

SPECIFICATIONS:

- Material: Polypropylene and Polystyrene
Fabrication: 1 piece molded construction
Packaging: 1 piece per box
Dimensions: See drawing below (all dimensions in inches)
