The 24" Heavy Duty Tile Saw is equipped with dual-speed 2 HP, 1750/2450 RPM motor that cuts the toughest marble, granite, stone, porcelain & masonry products, as well as all types of tile. This powerful saw is built to last with an automatic thermal overload protection prevents the saw from overheating and damaging the internal parts of the motor. The 60020SQ also features a cutting table that utilizes a slide-tube mounting system for smooth, accurate cutting and a locking tilt-up blade guard for quick and easy blade changes. One year limited warranty.

The Brand that Stands for Excellence.
