

## Specification Sheet

### Brushed Stone Tile

The Brushed Marble Floor and Wall Tile opens up design possibilities from the contemporary to the classic. Marble allows you to create a focal point for any setting. Whether it's a fireplace, kitchen, bathroom wall, entryway, or accent wall; marble stands out. Each tile measures 4 in. x 4 in. x 8 mm, and is sold as a set of 9 measuring a total of 1 sq ft. Marble is a natural material and will have shading and veining variation.
