Signature Features

FAMILY HUB

Make the kitchen the center of your home with a 21.5" WiFi-enabled LCD touchscreen:

- Food Management: 3 built-in cameras take a picture of the inside of your fridge; order groceries online from the touchscreen.
- Family Connection: Share multiple calendars, photos and notes.
- Entertainment: Stream music, videos and mirror your tv.

FLEXZONE™

- Flexible, bottom-right door changes to a fridge or freezer, maximizing fresh food storage space.
- Five customizable fridge temperature settings: Cool at 41°F, Cheese/Veggie at 35°F, Chill/Meat at 30°F, Soft Freeze at 23°F, and Freezer at -8°F–5°F.

TRIPLE COOLING

- Premium cooling system provides precise temperature control in all three zones, using one compressor and three evaporators, an industry first,¹ for ultimate freshness.

¹ Among consumer-grade freestanding refrigerators.

28 cu. ft. 4-Door Flex™ Refrigerator

Installing Your Refrigerator

1. Measure the height, width and depth of the opening, making sure to include baseboards, molding tile, countertop overhang, etc. Check to be sure there is enough room to open the door (consider walls, islands or other obstacles when measuring).
2. Refer to illustration below to determine dimensions.
3. Allow 2" of clearance on hinge side of refrigerator when installing next to a wall where handle may make contact.
4. Allow 1" minimum clearance at rear for proper air circulation and water/electrical connections. Allow a 3/8" minimum clearance at sides and top for ease of installation.
5. Ensure each door and entryway in the home is wide enough for the refrigerator to be moved through easily.

Please note: The following dimension and cutout information is for planning purposes only. For complete installation details, consult manual packed with product, or download manual online at samsung.com.

Dimensions

Total Capacity: 27.9 cu. ft.

Refrigerator: 16.4 cu. ft.

- Premium External Filtered Water and Ice Dispenser (Crushed or Cubed Ice)
