

QO® Load Center Lock Kit

Schneider Electric now features a lock kit for the QO 6-12 and 8-16 load centers. This QO load center cover accessory is available for the QO 6-12 and 8-16 indoor load centers only. The lock kit will allow the door to be locked to the cover, to prevent access to the breaker handles.

The load centers that accommodate these new lock kits are:

- QO612L100DF/S
- QO612L100DFCU/SCU
- QO612L100DTF/S
- QO816L100DF/S
- QO816L100DFCU/SCU
- QO816L100DTF/S
- QO48M30DSGP
- QO48M60DSGP

The new lock kit will allow the flexibility of locking the doors when the load centers are located in high traffic areas, to prevent access to the breaker handles. The catalog number for the indoor lock kit is PK8FL.

QO Lock Kit Kit Includes:

- Lock assembly
- Lock bracket
- Mounting hardware
- 2-Keys
- Installation instructions

For additional information, contact your local Square D sales representative, or call 1-888-SQUARED.
