1. BREW LIKE A PRO

Whatever your preference – single or double espresso, cappuccino or latte – the machine brews authentic barista-quality beverages just like you enjoy at your favorite coffeehouse.

2. YOUR FOAM, YOUR WAY

A manual frother mixes steam and milk to create a rich, creamy froth for evenly textured drinks – just the way you like them.

3. EVERY CUP TO YOUR LIKING

15-bar professional pressure assures quality results every time, and adjustable controls allow you to make modifications for your personal taste preferences.

4. EASY TO USE

The machine does most of the work for you. The Automatic Flow Stop* feature dispenses just the right amount of espresso while maintaining the ideal brewing temperature.

*Not available on models EC155 and ECP.

5. NO WAITING BETWEEN CUPS

The Rapid Cappuccino System maintains the optimal temperature so you can brew each cup after cup instantly.

6. ACCOMMODATES TALLER CUPS

If you'd prefer a larger size beverage, no problem. The bottom tray of the unit is easy to adjust or remove to fit taller cups.*

*Not available on models EC155 and EC680.

7. CONVENIENT WATER TANK

The water tank is simple to remove, refill and reattach, and the water level is easily visible to eliminate the guesswork.

8. SLEEK SPACE-SAVING DESIGN

With a sleek profile, compact design and narrow footprint, each model fits beautifully on a kitchen countertop – without taking up too much space.

9. ONE ESPRESSO SHOT OR TWO?

The three-in-one filter holder, included with the unit, has a holder for one espresso shot, a holder for two shots, and one for an easy-serve espresso pod – whatever your preference.

10. EASY TO CLEAN

Removable water tank and drip tray make for easy cleanup, and the parts are dishwasher safe.
