ASSEMBLY MADE EASY

All parts are pre-cut, drilled and numbered for ease of assembly. All you need to provide is a level ground surface with or without concrete, the size of the desired shed. In addition you will need a drill with a philips head, hammer, pliers and a ladder.

✓ Checklist Prior to Del Mar Vinyl Shed Purchase

- Check with your local city hall for building ordinances & CCR's
- Be sure that intended placement of shed is within your property lines
- Do not build shed over utility lines (gas, electrical, water, telephone, cable, etc)
- Measure the size of the intended shed site and make sure you have a concrete or level ground
