Shade/Tone: Random shade variation

Style: Rustic style

Surface: Textured unglazed low sheen surface

Color family: Browns/Tans

Material type: Copper and Slate

- Mesh-mounted mosaic tiles are easier to install than traditional tile formats. Can be used as whole sheets, or cut to make inexpensive feature strips.
- Easy handling and installation of tile. Cuts installation time vs. installing individual pieces.
- Blending from several boxes during installation is recommended.
- Sealing natural stone tiles is highly recommended. Use a high quality sealer prior to grouting to facilitate cleaning. Follow manufacturer recommendations for reapplication as part of an ongoing maintenance routine.
- It is NOT recommended using mosaics containing copper or metal in wet areas, where there is consistent or submerged in water. This included, but is not limited to showers, steam showers, fountains and pools.
