

Moldex DECK!TM Cleaner Concentrate

Composite Deck Cleaner and Mildew Stain Remover

Description:

Moldex DECKTM Cleaner Concentrate is a water-soluble, high performance detergent cleaner and mildew stain remover designed especially for composite decking materials with or without the addition of bleach to the solution. Moldex DECKTM Cleaner Concentrate can be used on wood decks, as well as for cleaning vinyl and aluminum siding, trim, fences, and painted or stained stucco, concrete and other painted surfaces affected by mildew.

- Quickly removes dirt and grime
- Eliminates mold and mildew stains
- Can be used near plants and shrubs when used as directed
- Easy to apply with garden-type sprayer
- One quart of Moldex DECKTM Cleaner Concentrate makes 5 gallons of solution

Coverage:

One quart of Moldex DECKTM Cleaner Concentrate makes 5 gallons (18.9 Liters) of solution. Estimated solution for cleaning is 200 sq. ft. per gallon of diluted solution (5 gallons = 1,000 sq.ft.). Actual coverage may vary depending on the porosity of the surface and the amount of solution applied.

Application Data:

Mixing Instructions: Do not exceed recommended quantities indicated in the chart below. Shake well before using. Mix the designated proportions of bleach and water according to the label instructions. Ratio: 80% water: 15% bleach: 5% Moldex DECKTM Cleaner Concentrate.

1. Pour water into garden-type sprayer or plastic pail
2. Add appropriate amount of fresh bleach
3. Shake Moldex DECKTM Cleaner Concentrate thoroughly
4. Add Moldex DECKTM Cleaner Concentrate
5. Stir solution thoroughly

Container	Water	Bleach	Moldex DECK! Cleaner
1 gallon	12¾ cups	2¼ cups	¾ cup
2 gallons	6½ quarts	4½ cups	1½ cups
5 gallons	4 gallons	3 quarts	1 quart

For non-bleach mixture: Replace bleach quantity with additional water.

IMPORTANT:

- Always follow manufacturer's precautions when using bleach. Use immediately after mixing.
- Do not allow Moldex DECK™ Cleaner solution to contact fabrics.
- Refer to your composite deck manufacturer for recommended bleach dilution.

Application:

Always test a small, inconspicuous area before using. Apply with a plastic tank-type garden sprayer or airless or chemical spray equipment. Spray surfaces liberally, wait 10 minutes and rinse thoroughly. Heavy mildew stains may require a second application. Deeply seated stains on textured surfaces may require light scrubbing with a stiff bristle brush. For best results rinse surfaces with a pressure washer. *It is recommended to spray sensitive vegetation with water before and after application.*

Clean up:

Spray equipment should be cleaned with baking soda or a non-ammonia cleaner. Rinse thoroughly.

Limitations:

Do not use Moldex DECK™ Cleaner Concentrate or diluted solution indoors.

Storage:

Shelf life: 2 years @ 75°F (24°C)

Store indoors: 40°F - 80°F (4°C -27°C)

Freeze / thaw stable

Warranty:

When applied to recommended surfaces and as directed according to the instructions on the label, this product will perform as claimed. The contents of the container are warranted for a period of 2 years when stored properly. If the contents of the container are proven to be defective, EnviroCare will refund at the full purchase price or replace the product at the company's option. This warranty does not include labor or cost of labor for application or damages related to the use or misuse of this product. This warranty gives you specific rights and you may also have other rights that vary from state to state.
