

Limited One (1) Year Warranty

Warranty coverage:

This warranty obligation is limited to the terms as set forth below. Any product sold and identified as refurbished or reconditioned carries a one (1) year limited warranty.

Who is covered:

This product warranty is issued to the original purchaser or the person receiving the product as a gift against defects in materials and workmanship as based on the date of the original purchase ("Warranty Period") from an Authorized Dealer. The original sales receipt showing the product name and the purchase date from an authorized retailer is considered such proof.

What is covered:

This warranty covers refurbished products if a defect in material or workmanship occurs and a valid claim is received within the Warranty Period. At its option, the company will either (1) repair the product at no charge, using new or refurbished replacement parts, or (2) exchange the product with a product that is new or which has been manufactured from new, or serviceable used parts and is at least functionally equivalent or most comparable to the original product in current inventory, or (3) refund the original purchase price of the product. Replacement products or parts provided under this warranty are covered against defects in materials and workmanship from the date of the replacement or repair for ninety (90) days or for the remaining portion of the limited one (1) year warranty, whichever provides longer coverage for you. When a product or part is exchanged, any replacement item becomes your property and the replaced item becomes company property. When a refund is given, your product becomes company property.

What is not covered:

This warranty does not apply (a) to routine maintenance such as lubricants, spark plugs, carburetor adjustments, filters, blades and blade sharpening or tune-ups, (b) to wear on parts, belts, brushes, valves, wheels and cords, or damage caused by improper voltage and/or wiring, (c) to damage caused by accident, abuse, misuse, neglect, misapplication, or non-supplied product, (d) to damage caused by service performed by anyone other than company approved Authorized Service Location, (e) to a product or a part that has been modified without written company permission, or (f) if any serial number has been removed or defaced, or (g) to product, accessories or consumables sold "AS IS" without warranty of any kind

This Limited Warranty does not cover:

- Damage from mishandled shipments or transit accidents when returning product
- A product that requires modification or adaptation to enable it to operate in any country other than the country for which it was designed, manufactured, approved and/or authorized, or repair of products damaged by these modifications
- A product used for commercial or institutional purposes (including but not limited to rental purposes)
- Product lost in shipment and no signature verification receipt can be provided
- Failure to operate per Owner's Manual
- Some States do not allow the exclusions or limitation of incidental or consequential damages, or allow limitations on how long an implied warranty lasts, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from State to State
