To expedite any future warranty claims, please retain the Instruction Sheet, Warranty Card and receipt for future use.

For additional on-line support on assembly, troubleshooting and care & maintenance of your outdoor furniture, please visit our website at: **www.hanover-products.com**.

ASSEMBLY INSTRUCTIONS

1

From behind the chaise lounge back frame, insert a bolt with Ø8.5x1.5 mm washer through the hole in the lower sling back frame. Add a Ø15x4 mm plastic washer before inserting into the fixed nut in side the sling seat frame (see diagram). **Hand tighten 3-4 revolutions only.** Completely tightening at this point could cause the frame or the sling seat to be uneven. Repeat for the opposite side.

2

Using the hex wrench provided, tighten bolts. Tighten each bolt a few revolutions at a time, alternating back and forth between the two bolts until they are completely tightened. It is important to alternate between bolts to ensure your frame and sling seat are even. **Do not over tighten.** Over tightening could damage the threads on the bolts or nuts.

PARTS IDENTIFICATION LIST

* NOTE: PARTS SHOWN ON PARTS LIST ARE NOT TO SCALE

	<u>PARTS LIST</u>	<u>DESCRIPTION</u>	<u>ORDER PART #</u>	<u>QTY</u>
A		SLING SEAT FRAME	AL1584	1
