**A SUPERIOR SHOWER SYSTEM  
FROM A NAME YOU TRUST**

**USG**   
IT'S YOUR WORLD. BUILD IT.™

# INNOVATION THAT STARTS FROM WITHIN

An exceptionally engineered system for tiled shower installations, the USG Durock™ Brand Shower System is a fully bonded waterproofing system, designed to control moisture independently of the tile covering while creating a solid base for a long-lasting shower. And because it comes from a manufacturer with a reputation for delivering products and systems designed to outshine the competition, you can trust that it will deliver performance superior to other systems on the market.

## \*USG DUROCK™ BRAND CUSTOM SHOWER TRAY PROGRAM

We now offer a program that helps you design and install near limitless configurations of shower shapes and sizes. The new custom shower trays are backed by the USG Durock® Brand and work perfectly with the USG Durock™ Shower System.
