

Keep cool and beat the heat with an Aux Portable Air Conditioner. Easily transition from room to room, bedroom to office or any room in need of cooling, this air conditioner will get the job done. Weighing a light 30.5 pounds and equipped with castor wheels, simply move it to the room you need to adjust to your comfort level. With 5.9 feet of cord, finding a plug to power your unit will be a breeze. Equipped with three fan speeds and three different cooling modes, this unit will always have the right setting to help create maximum comfort. The built-in filter keeps the air clean for your room. Other convenient features include a sleep mode and a programmable timer, so you can have the air conditioner running with your schedule. Control it all from the comfort of your couch with the included remote control for superior convenience and performance.
