

# Honeywell Portable Air Conditioners HL Series\*

## Window Bracket Panel Adapter Easy Assembly Guide

1. Remove protective plastic film.
2. Hold the two half pieces in each hand with the round end facing upwards (see picture 1 & 2).

(Picture 1)

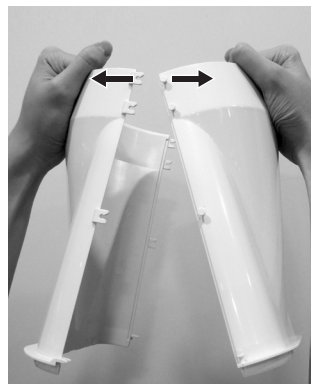

(Picture 2)

3. Locate and align the top hinges. Apply pressure to snap ONE side of the top hinge (see picture 3). Pull apart this top hinge and re-connect. Repeat 3 to 4 times (see picture 4).

**NOTE:** The hinges may be tight and difficult to connect at first. They will loosen the more times you repeat Step 3.

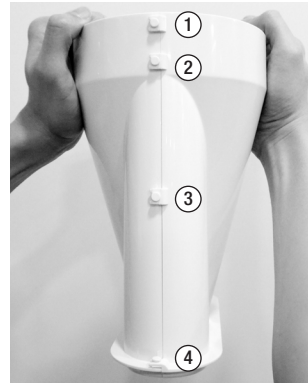

(Picture 3)

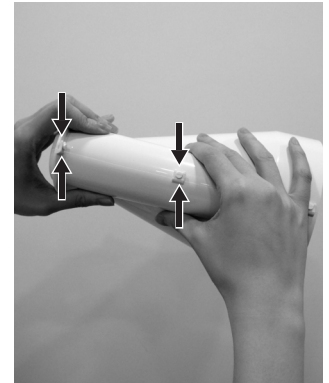

(Picture 4)

4. Repeat step 3 for the top hinge on the opposite side of the panel adapter.
5. Connect both top hinges and the remaining hinges together one by one. You will hear a loud click to indicate that both halves are connected properly (see picture 5 & 6).

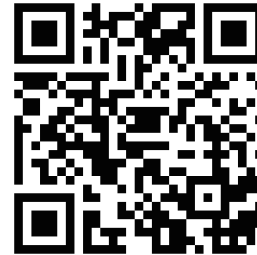

(Picture 5)

(Picture 6)

7. The Window Bracket Panel Adapter is ready. Complete the remaining window bracket installation as instructed in the User Manual (pages 3-4).
