

# IMPACTO® ULTRA WORK SPORT

Anti-fatigue replacement insoles made of expanded Sorbothane® inlays to absorb shock and help relieve more pain in the feet, knees and lower back. Molded design with cupped heel offer great rear foot stability. Antibacterial fabric cover wicks away moisture.

Ergonomically designed to provide cushioned support and shock absorbing comfort

Versatile insoles provide arch support, comfort and shock protection

Helps protect against back and knee pain and foot injuries such as plantar fasciitis

Advanced polyurethane layer cushioning, support, rebound for less “pounding” per step

Sorbothane® insoles have proven to be a great defense against foot pain, back pain and impact-related injuries such as Achilles tendonitis, runner’s knee and shin splints

Lightweight, breathable and antifungal

Insoles will not bottom out

Great with athletic or work shoes and boots

Sorbothane® offers 94.7% shock-absorption, positioned at point of impact to reduce pain, jarring, fatigue and risk of injury.

Made in USA, PVC Free
