

Frequently Asked Questions

Q. What are the best applications for this product?

A. The OLCS is ideal for illuminating doorways/entrances, walkways and as an accent light on columns - anywhere an attractive and efficient wall sconce is needed.

Q. What does this product replace?

A. It replaces 60W Incandescent

Q. What is the rated life of the LEDs?

A. 50,000 hours. The die-cast aluminum housing and back plate optimize thermal management through conductive and convective cooling. This excellent thermal management system keeps the LEDs cool, allowing for exceptional LED life. (LED life based on LM-80 test results and TM-21 calculations.)

Q. What are the mounting options for the OLCS?

A. The OLCS wall-mounts to a recessed junction box.

Q. Is this product UL listed?

A. The OLCS is UL/CUL listed for wet locations (more than 4 feet off the ground).

Q. Is this product listed with Lighting Facts and DesignLights™ Consortium (DLC)?

A. The OLCS is Lighting Facts listed but because it is designed to provide some uplight it is not on the DesignLights™ Consortium qualified product list.

Q. Where is the OLCS manufactured?

A. The OLCS is manufactured by our partner factory in China.

Q. How many lumens does the OLCS produce?

A. OLCS 8 DDB produces 461 lumens
OLCS 8 WH produces 513 lumens

Q. What color temperature (CCT) are the LEDs in the OLCS?

A. The OLCS is available with 4000K CCT LEDs.

Q. Is this "instant-on" or is there lag to reach maximum output?

A. Yes, the OLCS is an instant-on product.

Q. What voltages are available?

A. The OLCS operates at 120V, standard.

Q. Is pricing available?

A. Yes, standard pricing is available in Agile and your Quotations Manager can assist with pricing for large opportunities.

Q. What is the standard lead time?

A. The OLCS will be kept in stock at all DCs for immediate delivery.

Q. Are samples of this product available?

A. Yes, corded samples are available. Standard product is also available for trial through the TIP program.

Q. What is the warranty for the luminaire, components and finish?

A. The OLCS is covered by the Acuity Brands Lighting 5-year Outdoor LED limited warranty. This warranty is located at www.acuitybrands.com/CustomerResources/Terms_and_conditions.aspx
