Haier's new LED HDTVs combine a sharp, clear, high-definition picture with a thin frame measuring 1" or less to provide an incredibly immersive viewing experience. Two dedicated sound chambers produce enhanced sound quality, with superior dampening, improved mid-range response, louder, cleaner bass, and richer overall sound texture. In addition, this line is MHL (Mobile High-Definition Link) enabled and Roku ReadyTM, allowing you to connect compatible devices, such as smartphones, tablets, and the Roku Streaming StickTM directly to the HDMI port on your HDTV. Adding a Roku Streaming StickTM instantly delivers smart TV applications, including access to over 750 channels, Netflix, Hulu Plus, Crackle, and more. A newly designed Haier remote includes Roku controls for seamless navigation of the Roku interface when a Roku stick is connected.
