

SPLASHBACK TILE

Specification Sheet

Ambrosia Pearl & Marble Mosaic Series

Each piece of the Ambrosia Pearl and Marble Mosaic Tile fits into the next like a perfect puzzle. Its stunning design and unique pattern of honeycomb will bring warmth and a natural ambience to your home. The mesh backing not only simplifies installation, it also allows the tiles to be separated which adds to their design flexibility. Natural stones are products of nature therefore variations in color, pattern, texture and veining will occur. It is not recommended to be installed in a pool or anywhere the tile will be submerged in water.
