

The Gutter Guard™ Brush

By Gutterglove®

Gutter guard industry leader, Robert Lenney, invents "The Gutter Guard Brush", a revolutionary patent pending tool for cleaning any gutter guard brand in the industry. The Gutter Guard Brush is easy to use and fastens to any extension pole.

Instructions:

1. Use protective eye-wear in order to avoid any debris getting into eyes.
2. Screw **The Gutter Guard Brush** on the end of any extension pole.
3. Then from the ground, reach up and brush off any areas needed.

Cleans just about anything!

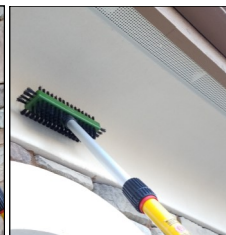

Spider webs.

Lights.

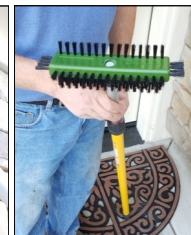

Windows.

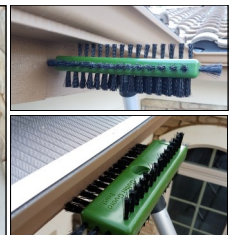

Soffits.

Decorative stone.

Easy to handle.

Side & bottom of gutter.

CAUTION: Brush bristles are firm and rigid, so use gentle brush strokes when cleaning a window or brushing against paint.
