- Quick + easy conversion: go from blowing to vacuuming in seconds!
- 17:1 reduction ratio: high impact-resistant impeller shreds leaves up to 1/17th their original size
- ETL approved; Full 2-year warranty

WHEN LIFE GIVES YOU LEAVES, MAKE CLEANUP A BREEZE! Back-breaking lawn and leaf cleanups are a thing of the past with the Sun Joe iONBV, the revolutionary rechargeable blower/vacuum/mulcher. Lightweight, sleek and powerful, the 40 volt Lithium-Ion battery-powered blower packs the power of a hurricane into the palm of your hand to make your yard work a breeze. With up to 45 minutes of runtime, it's just right for light-duty household applications like sweeping porches, patios, walkways, decks and garages – and even light snow! Two speed settings tailor the wind to suit the task with the flick of a switch. Featuring an interchangeable tube design and a hefty 16 gallon collection bag, iONBV easily converts from a robust 200 mph blower to a mighty mulcher with a superior 17:1 reduction ratio.
