

20236 – Toro Walk Power Mower Maintenance Kit

The Toro walk power mower maintenance kit helps ensure optimum performance of your Toro mower by providing the common engine tune-up replacement parts in a convenient, easy to use kit. As with all genuine Toro parts, the Toro walk power mower maintenance kit includes the highest quality components to ensure your mower performs as designed by Toro engineers. This maintenance kit includes the following components for Toro walk power mowers with Tecumseh engines:

- Toro replacement air filter

- 20 ounce bottle of Toro walk power mower engine oil

- Replacement spark plug

- Packet of fuel stabilizer – keeps up to 2.5 gallons of fuel fresh for up to 24 months.

Note: This product is for Toro walk power mowers with Tecumseh engines only.
