41,000 TOTAL BTUs

PATIO HEATER

Additional infrared heater provides full body warmth.

UNIQUELY DESIGNED PATIO HEATER

Heat on all 4 sides of fire pit • Stay warm from head to toe • Extends season for fire pit use

TRADITIONAL VS. DUALHEAT

FLAME ONLY

NO HEATER

TRADITIONAL GAS FIRE PIT

On a cool evening traditional gas fire pits provide no heat below the table, leaving your lower body feeling chilly.

ADDITIONAL
PATIO HEATER

DUALHEAT GAS FIRE PIT

The top and lower burner combine to provide full body warmth on all four sides of the fire pit, above and below the table.

4 DIFFERENT WAYS TO ENJOY

1

FIRE PIT & PATIO HEATER

Your guests will be impressed when this fire pit heats you from head to toe.

2

FIRE PIT ONLY

Grab a chair and snuggle up enjoying the ambiance of the flames under the stars.

3

PATIO HEATER ONLY

Enjoy your backyard longer and in style in those cooler months when summer is over.

4

TABLE ONLY

Perfect for entertaining and serving up cocktails to friends and family.
