Indoor or Outdoor

Please use us for all your
decorations, indoor or
outdoor. The battery box
is weatherproof so fun
with it!

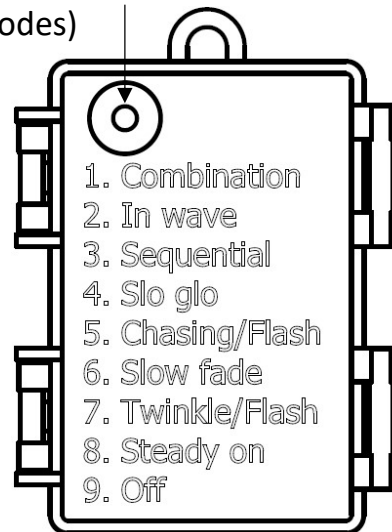

Content

1x Battery box (Requires
3x AA batteries, not
included)

10 A19 Bulbs (Total 60
LEDs)

Operation

Power Button (Push to cycle
modes)

Modes 1-7 will all come on for
6 hours, then turn off. It will
come on again for 6 hours the
each day until turned off.

Mode 8 (Steady On) will be on
consistently until turned off

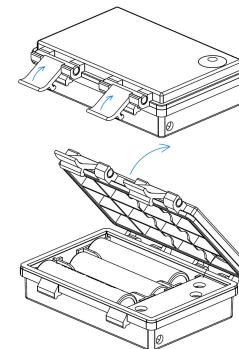

Replace the Battery

1) Unclick
both lock tabs

2) Pull open
box cover

3) Place 3x AA
Batteries into
Battery box

4) Close and re-click tabs

Troubleshooting

If light does not turn on, please
replace with new batteries and
re-test

Make sure batteries are placed
in the right direction.
