

LED LAMP

SPECIFICATIONS

Ideal For

Cabinet Lighting

These 3-inch puck-shaped lights plug into the nearest outlet with a 6-foot AC cable and instantly provide 300 lumens of additional light.

Benefits

- Low profile light fits easily under cabinets and adds extra illumination to work spaces and kitchens
- Get warm, cool or daylight color temperature with the push of a button
- Innovative puck-shaped design
- LED technology uses less power compared to equivalent incandescent lights
