

Model DS6621-2

2 Handset Connect to Cell™ Answering System with Caller ID/Call Waiting

Make and Receive Landline and Cellular Calls

Connect to BLUETOOTH® wireless technology-enabled cellular phones to make and receive cellular calls with the ease and comfort of a home phone system. Avoid the mad dash to catch a cellular call before it goes to voicemail.

Mobile Notifications

Know when your Android mobile phone receives a text, e-mail or social media update. Each handset beeps and displays which kind of message was received.

Download and Store Your Cell Phone Directory

Store 1000 directories from up to two different cell phones; no need to input names and numbers into your phone.
