

French Home Laguiole

French Home's collection of premium quality Laguiole cutlery and flatware is designed to enhance your dining experience. The traditional and elegant Laguiole design which was designed in France in 1820 is famous for the curved three rivet handle and the iconic bee on the bolster. The steak knives are 1.8mm thick giving each knife substantial heft and cutting abilities. The 20 piece sets have been designed to fit comfortably in your hands. The cheese knives, spreaders, cake forks and coffee spoons are color coordinated to accessorize and compliment your table and entertaining.

Utensils with wood handles should be washed by hand, all other utensils are dishwasher safe.
