PRODUCT DESCRIPTION

Easy contemporary lighting that's tubular. Oslo LED Bath Bar is streamlined and slender, perfect for bringing bright illumination to modern vanities. A small round wall plate supports and accents the shade, drawing attention to its elongated shape. Bright and even illumination through a co-extruded clear and white translucent acrylic diffuser. Oslo is the perfect choice for a bathroom vanity or hall to add a clean, modern look and feel. Available as a wall sconce and bathroom vanity light.

FEATURES

- Multiple LED array for uniform illumination
- AC LED technology - no driver or transformer required, easily fits on a pancake junction box
- 277V, 240V, or custom CCT options available by special order
- Smooth and continuous dimming with an electronic low voltage (ELV) dimmer
- High powered replaceable LED module

SPECIFICATIONS
