MONTAGE ET CONSEILS D'UTILISATION

INSTRUCCIONES DE MONTAJE E INDICACIONES PARA EL USUARIO

ISTRUZIONI DI MONTAGGIO E INDICAZIONI PER L'USO

Important Note

To better suit the construction norms in the U.S., we have included two chains and screw eyes that should be placed 16"-24" apart on the wall. Use care to ensure the screw eyes are installed in a suitable structural member. The two chains should both attach to the stand as shown with the single chain in the illustration below. If you have any doubt of your ability to choose safe anchor points, we urge you to seek professional advice.

				Art.Nr.
PALMERA	ca. 225 -250 x 60 x100 cm	max. 120 kg	ca 13,5 kg	AZ-4015000
