

Safe Lite™ Fire Starter Squares

Item 50B, 50C, 50X

- Ideal for camping, grills, stoves and fireplaces
- Ignites instantly, even when wet
- Burns 8-10 minutes
- Environmentally friendly

Description:

High-performance fire starters light quickly, easily and without dangerous flare-up.

Performance Characteristics:

- Non-Toxic
- Will not flavor food
- No dangerous flare-up
- Exceeds California Air Quality Standards
- Complies with South Coast Air Quality Management Dist. Rule 1174 ref. C58.

Recommended Uses:

Ideal for campfires, charcoal grills, fireplaces, wood stoves and pellet stoves.

Application:

Charcoal fires: Place three Safe Lite Fire Starter Squares on edge in a triangle. Pile charcoal around squares, leaving room for airflow above and below fire starters. Touch a match to the rough edge to ignite.

Wood fires: Place one or more squares under three or more pieces of firewood. Touch a match to the rough edge to ignite. No kindling required.

Pellet stoves: Place a square in the stove's burn pot. Place pellets on and around starter squares and light.

When pellets are burning well, turn on pellet feed and operate stove as indicated by manufacturer.

If Fire Starter Squares become submersed in water, simply shake off water drops and light.

Typical Physical Properties:

Consistency	Wood fiber and 10% recycled newsprint, wood waste and paraffin
Flashpoint	450°F
Color	Brown
Storage/Handling	Store away from sources of ignition

Warranty and Limited Remedy:

This product will be free from defects in material and manufacture for a period of eighteen (18) months from date of manufacture. Rutland Fire Clay Company makes no other warranties including, but not limited to, any implied warranty of merchantability or fitness for a particular purpose. User is responsible for determining whether the Rutland Fire Clay Company product is fit for a particular purpose and suitable for user's application. If this Rutland Fire Clay Company product is defective within the warranty period stated above, your exclusive remedy and Rutland Fire Clay Company's sole obligation shall be, at Rutland Fire Clay Company's option, to replace the Rutland Fire Clay Company product or refund the purchase price of the Rutland Fire Clay Company product.

Limitation of Liability:

Except where prohibited by law, Rutland Fire Clay Company will not be liable for any loss or damage arising from this Rutland Fire Clay Company

product, whether direct, indirect, special, incidental or consequential, regardless of the legal theory asserted, including warranty, contract, negligence or strict liability.

CAUTIONS:

Practically non-toxic. In case of ingestion, may cause gastrointestinal disturbances.
