

50-YEAR TRANSFERABLE LIMITED WARRANTY

Westwood Heat Treated Lumber Corporation (“Westwood”) warrants to the “Qualified Owner” (as defined below) that its Westwood Thermo-treated wood hardwoods and softwoods walls and ceilings covering products are manufactured in accordance with the industry standards and will, as manufactured, be:

Installed indoors and used under normal room conditions will not suffer from rot or decay for a period of at least 50 years from the date of purchase,

Installed under roof outdoors or used in high humidity areas indoors will not suffer from rot or decay for a period of at least 25 years from the date of purchase,

as long as the product has been maintained as described in the Westwood Installation Instructions (“Covered Product”).

A “Qualified Owner” is the original purchaser of a product, manufactured as Covered Product and Westwood extends the Warranty also to the subsequent owner of a structure on which the product is originally installed.

This Warranty applies to Covered Product, that is selected, purchased, handled, installed and maintained in accordance with Westwood’s Installation Instruction for the Covered Product.

This Warranty is transferable and is limited to applications located within the continental USA.

CONDITIONS AND EXCLUSIVE REMEDIES: The Qualified Owner must give Westwood written notice no later than thirty (30) days after discovery of any defect (or no later than 3 days for lack of quantity or quality of supplied product), in addition, must give Westwood an additional thirty (30) days thereafter to inspect the Covered Product before any alteration or repair is made. If Westwood’s inspection confirms that a manufacturing defect exists and has caused a problem, Westwood, at its sole option, will either repair the defective part of Covered Product, providing a replacement Covered Product, or reimburse the Qualified Owner with the original purchase price of the defective part of Covered Product (see the table at the end of the document). This Warranty is limited to the delivery to the purchaser’s residence of sufficient quantity of replacement product and does not include installation, reinstallation, nor any cost related to lack of use. All additional costs over and above these amounts are the responsibility of the Qualified Owner. Other than the express Warranty granted in this document, the products are sold “as is” and “with all faults.” These remedies are Westwood’s only obligation for and, in addition, are the Qualified Owner’s sole and exclusive remedies for any breach of Warranty.

Thermo-treated wood wall and ceiling products are covered with this Warranty as the products and brands manufactured by Westwood Heat Treated Lumber Corporation.

(to be continued on the back side)

Any defect in or damage to a Covered Product resulting in whole or part from the following conditions is NOT Westwood's responsibility and is NOT covered by this Warranty:

- (a) lack of proper usage of the Covered Product;
- (b) failure to meet building code requirements, Westwood Installation Instruction and/or excessive moisture exposure due to the lack of proper protection of the Covered Product or inadequate insulation, ventilation and/or vapor retarders;
- (c) causes other than normal use conditions such as improper storage, handling, transportation, use, maintenance or installation; impact with other objects, including improper application of adhesives; earthquake, flood, fire, acts of God or nature; or any other cause beyond Westwood's control, including weather surface checks, bending and variations or changes in color of the Covered Product;
- (d) exposure or handling that is not consistent with good practice in the building industry, including misuse and abuse and contact with or exposure to abnormal levels of moisture; or insects, mold, mildew, fungi, algae, moss, bacterial growth, decay, rot or similar conditions.

To protect the Covered Product from surface checking or structural damage, cupping, twisting, bending when used outdoors, or to prevent the silvering due to direct sunlight exposure, a high-quality clear or transparent oil containing UV protectors should be used PRIOR to the installation of the Product on all four sides of the Product. Please follow the specific coating manufacturer's instructions for use. The surface fungi and rot, which can be removed by various wood treatments, wiping or scraping are not a subject of this Warranty.

WESTWOOD DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. This Warranty supersedes all prior or contemporaneous oral or written representations concerning the Covered Product. No Westwood employee or any other person is authorized to modify this Warranty or make any warranty in addition to the Warranty set forth in this certificate.

LIMITATION OF REMEDIES AND DAMAGES: UNDER NO CIRCUMSTANCES WILL WESTWOOD BE LIABLE FOR ANY SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES WHETHER ARISING OUT OF OR IN ANY WAY RELATED TO A CLAIM FOR BREACH OF WARRANTY, BREACH OF CONTRACT, NEGLIGENCE, STRICT LIABILITY IN TORT OR ANY OTHER LEGAL THEORY. SUCH DAMAGES INCLUDE, BUT ARE NOT LIMITED TO, LOSS OF PROFITS, DAMAGE TO THE STRUCTURE IN WHICH THE COVERED PRODUCT IS INSTALLED, DAMAGE TO OTHER PROPERTY, AND LOSS OF USE OF THE COVERED PRODUCTS OR OTHER PROPERTY. ANY ACTION OR SUIT RELATING TO THE COVERED PRODUCTS MUST BE COMMENCED WITHIN 90 DAYS AFTER THE CAUSE OF ACTION ACCRUES.
