

# Warranty

*United Weavers of America is a true American Success story. Launched in suburban New York City in 1991 from humble beginnings, this privately-owned business has grown into a well-established, respected name within the rug industry.*

*United Weavers searches for products from all over the world to accommodate the ever-evolving tastes and styles that are demanded within the Home Fashions industry. Our Product Development team has developed strong partnerships with manufacturers in Turkey, Belgium, Egypt, Indonesia, India, and China.*

*United Weavers has a limited warranty that guarantees all products for one year from invoice date against manufacturing defects. Determination of defect is solely that of United Weavers.*

*Thank you for choosing a United Weavers area rug!*
