

USE & CARE

CLEANING AND CARE INFORMATION

Roller shade fabrics are nearly maintenance free. If the shade is dusty, simply vacuum over it using an upholstery attachment. A dusting cloth can also be used to gently remove dust. Shades may also be gently wiped with a clean damp cloth. Using detergents is at own risk, but not advised. Allow the shade to dry completely before raising. Do NOT completely immerse or make the shade unnecessary wet.

Solar shade fabrics are nearly maintenance free. Only periodic vacuuming with an upholstery attachment. Also cleaning with a clean damp cloth, soft brushing or thorough rinsing may be required. Allow the shade to dry completely before raising. Using detergents is at own risk, but not advised. Do NOT completely immerse.

Cleaning shade should be carried out with caution and care and is at own risk. Using detergents on the product may have an unexpected or unwanted effect, for this reason the use of any chemicals is not advised.
