BOTTOM−MOUNTED
REACH−IN REFRIGERATOR
SOLID DOOR

## Features & Benefits

◎ Stainless steel inside and outside,sealed interrior floors and rounded cabinet corners for easy cleaning

◎ Self closing doors with stay open feature,lifetime guaranteed door hinges

◎ Digital temperatature controller with automatic defrost system

◎ Forced air refrigeration system

◎ Adjustable,heavy duty shelves

Technical Specifications

Voltage/Frequency	110V/60Hz
Refrigerant	R290
Type of Defrost	Automatic
Exterior Finish	Stainless steel
Interior Finish	Stainless steel

REFRIGERATOR												
MODEL NO	External Dimension(inches)			Packing carton (inches)			Temperature range(℉)	Compressor power(HP)	Gross weight (kg/LB)		#of shelves	Nema Conflg.	40FT (PCS)
	W	D	H	W	D	H
