

LED 3-Way Light Bulb

replaces 30/60/100w

The Biggest Thing Since the Light Bulb.™

The Cree® 3-Way LED bulb delivers three distinct levels of beautiful, warm 2700K incandescent-like light for the living spaces in your home. The Cree 3-Way LED bulb looks and lights like a traditional 3-Way incandescent bulb, but uses up to 90% less energy and is designed to last 25 times longer.

Delivering 320, 820, and 1620 lumens (30W/60W/100W replacement), each step of light output is distinct and visible to the naked eye. Plus, unlike traditional incandescent 3-Ways, you can use the Cree 3-Way LED bulb in any orientation.

Cree LED 3-Way bulb (30/60/100W replacement)

Wattage Equivalent	30/60/100 3-Way	Maximum Overall Length (Inches)	5.0 in

		Dimmable	3-Way

What makes them great?

- A-type bulb style (weighs 5.8oz. and uses a standard E26 screw-in base).
- Save money now and save money later. Uses up to 90% less energy than an incandescent.
- Built to light and last. Covered by Cree's industry-leading 10-year limited warranty.
- Cree LED Filament Tower™ Technology. The genius idea inside that powers our omnidirectional, all-around light.
- 25,000-hour lifetime compared to about 1,000 hours for typical incandescent.
- For use in 3-way light fixtures (non-dimmable).
- Suitable for use in any orientation
- Instant-on light.
- Mercury free.

Cree LED bulbs can be purchased online and in-store at The Home Depot®.

Great bulb.

Great price.
