## Safety Information

1. For outdoor use only. Do not use the fire pit indoors. Carbon monoxide fumes, due to lack of ventilation, can cause death.
2. Do not use gasoline or kerosene to start fires in the fire pit. Keep all flammable liquids away from the fire pit.
3. This unit is designed to burn charcoal and untreated wood only. Fill the bottom of the bowl with sand until the surface of sand is 0.2 inches below the grid.
4. Do not use under or on combustible structures/ surfaces including wooden decks. Assemble the fire pit on a non-abrasive surface.
5. Use protective gloves and long-handled tools when fire pit is in use.
6. Fire pit remains very hot for a period of time after using. Be sure fire pit is cool before attempting to move it. Don't touch the ash tray handle during use until the fire is completely out and cooled down.
7. The handles of the tools may become hot during and after use. The fire pit should be placed no closer than 24 in. from walls during use.

**DANGER:** Keep all flammable liquids away from the fire pit.

**WARNING:** Keep children away from hot fire pit.

**CAUTION:** Do not burn over 1.6 lbs. of charcoal or 3 lbs. of untreated wood at one time.

**IMPORTANT:** Do not use it under or on a combustible structures/surfaces.

## Warranty

# Installation

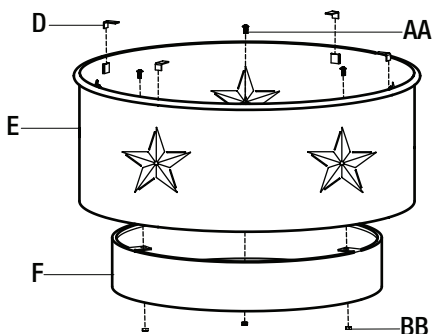

## 1

- Connect the Poker Ring (A) to the Spark Guard (B) with M6 Nut (BB).

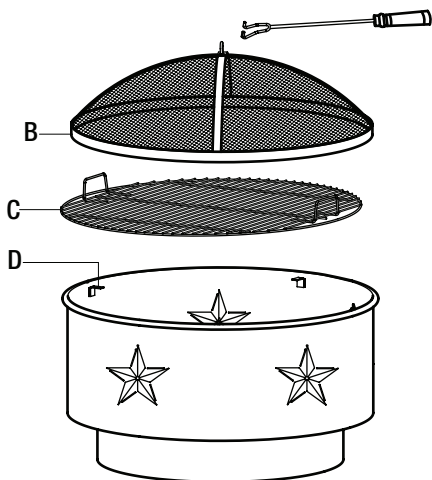

## 2

- Connect the Fire Pit Base (F) to the Fire Pit Body (E) with 3pcs of M6x15 Bolts (AA) and M6 Nuts (BB).
- Place the Cooking Grate Support (D) into the Fire Pit Body (E). The short side of the Support shall be inserted into the body.

## 3

- Place the Cooking Grate (C) onto the Cooking Grate Support (D), then place the assembled Spark Guard (B) onto the Fire Pit Body (C).

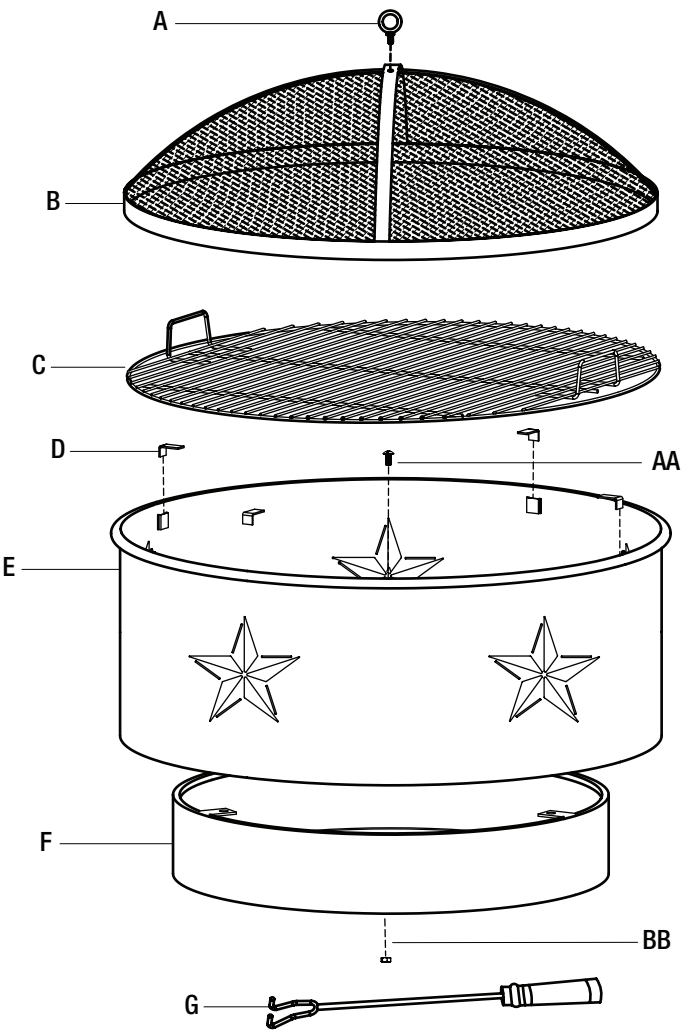

## Care and Cleaning

---

Clean this outdoor fire pit on a regular basis to promote safer use and longer product life. After repeated use, the finish may discolor slightly.

- Do not attempt to clean, move or store this outdoor fire pit until the fire is completely out and cooled down.
- Do not use oven cleaner or abrasive cleaners as they will damage this product. Do not clean any part of this outdoor fire pit in a self-cleaning oven as it may damage this finish.
- Once the fire is out, coals are cold and outdoor fire pit is cool to touch, remove ashes and properly dispose.
- Wipe exterior surfaces with a mild dish-washing detergent or baking soda.
- For stubborn stains use a citrus-based degreaser and a nylon scrubbing brush. Rinse clean with water.
- Remove built-up creosote from components with a chimney cleaning product.
- When not in use, store the fire pit fully assembled in a location away from children and pets.
