

Outdoor Patio Furniture Covers:

- 1) Help protect your patio furniture and extend the life of your furniture.
- 2) Keeping the covers clean and well maintained can extend the life of the covers.

General Cleaning:

- 1) Keep the covers on the furniture.
 - * the best time to clean covers is while they are on the furniture, so either put them on the furniture or clean them before removing them for the season or an event.
- 2) Make a solution of mild detergent and lukewarm water.
- 3) With a soft scrub brush or towel/soft cloth, apply the cleaning solution to the outdoor patio furniture covers.
- 4) Scrub, particularly seams as necessary.
- 5) Rinse thoroughly with a garden hose.
