

AMERICANA  
**Deco-Page**  
 paper

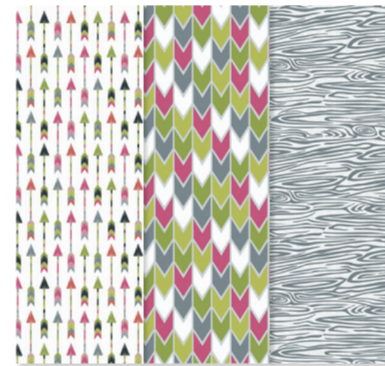

**DecoArt**  
 MADE FOR MAKERS®

Americana Deco-Page Paper is significantly thinner than most decoupage papers currently available at retail, which means it delivers an almost seamless finish. Extremely soft, durable, pliable, and workable, this special weight paper is so simple to use. It easily wraps around corners; eliminates creases and wrinkles. Foil will not crack or peel. Design offerings are based on current trends and will give both home décor and craft projects that perfect finishing touch. Use on wood, metal, glass, fabrics, terra cotta, ceramics, resin, and more.

- Three coordinating pattern sheets per package
- Resist tearing during application
- Eco-friendly papers are recyclable and certified to comply with FSC regulations
- Bleed resistant
- Available in regular and foil colors
- Each individual sheet is 12" x 16"
